Appointments are required so that we may provide quality and timely services to our clients and in-house guests. As we provide individualized feeding, medication, and grooming services it is important that we organize and maintain a schedule. For these reasons we must work by appointment.

Deposits equal to one night's boarding fee, per dog suite or cat condo/suite, are required to make a reservation. Deposits can be paid in your Client Portal or you can E-transfer to info@lonsdalegrove.com, Peak reservation times may require a deposit equal to 50%.

DEPOSITS ARE NON-REFUNDABLE. If you cancel a boarding reservation giving a minimum of 5 days notice prior to reserved check-in, your deposit will remain on account for future use. If you cancel with less than 5 days notice your deposit becomes a cancellation fee.

Changes to shorten reservations must be made at least 5 days prior to check in. We have committed the boarding space to your pet and have turned others away. If you shorten your reservation with less than 5 days' notice you can certainly pick up your pet early, but you are responsible for fees for the original reservation.

Cancellations We appreciate notification as early as possible if you need to cancel your reservation. Deposits are fully refundable if your reservation is cancelled at least 5 days before the reserved check-in time. Cancellations with less than 5 days' notice result in forfeiture of deposit.

Early Check Outs Full fee for original boarding reservation applies. We have committed the boarding space to your pet and will have turned others away. Please don't reserve more days than you require.
